

## School Sports Premium

### What is it and how should the money be spent?

Funded by the Department for Education, the Department of Health and the Department for Culture, Media and Sports, they have funded money to be given directly to schools to be spent on PE and sports provision in schools. The money is ring fenced and was initially for two years which has now been extended **to 2018**. It is up to individual schools as to how this money is spent as long as the focus and aim is:

**‘to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.’**

### How much have we received?

Wales Primary School received **£8,885** in the school year 2013-14, **£8,910** in the school year 2014-15 and a further **£8,910** will be received in the year 2015-16.

### So far we have used our Sports Premium on:

- Continued participation of the competition and festivals with Wales family Schools.
- Cover for staff so they can participate in KS1 and KS2 PE CPD in order to increase their subject knowledge and expertise.
- Any expenses accrued from termly intra competitive events involving the whole of KS2 (these ensure that all KS2 children are involved in regular competitive events). For example, whole school trip to the EIS for an athletics competition.
- Inviting experts into school so children try out new activities/sports
- Encouraging more children to be active at playtime through the purchase of a trim trail and skipping equipment.
- Updating basic PE resources on a regular basis to ensure the best possible resources for children to enhance PE lessons with a focus on particular activities each year.
- Transport to events to ensure as many children as possible can take part in sports opportunities at other venues.

## Report updates in July 2016 by Ruth Sampson

### Sport Premium – 2015-2016

<b>£495.34</b> carried over from last year This year's allocation of <b>£8,910</b> to be given in 2 instalments <b>First payment November 2015 £5,198</b> <b>Second payment April 2016 £3,712</b>

<b>July 2016</b>	Resources top up	<b>£928.65</b>
<b>Total</b>		<b>£9,405.34</b>

### Sustainability

The guidelines are very clear that the funding must be used to make additional and sustainable improvements to the quality of PE and sport they offer. We feel that our spending is sustainable as it is focused on giving the children new opportunities, access to high quality resources, staff receiving appropriate CPD according to their needs and therefore the tools to help deliver high quality PE education. The new PE curriculum demands that:

- Children are more physically active for sustained periods. (trim trail, skipping, PE lessons more active through training)
- Encouraged to lead a healthy and active life. (healthy lifestyle week as a base for this)
- More competitive sports and activities are carried out (intra and whole school events)

## **Report updates in July 2016 by Ruth Sampson**

### **Future Plans**

**Next we will receive the same amount again (£8,910) and in the year 2017-18, we'll receive double the amount**

#### **Ideas for next year's spend:**

- CPD opportunities (develop staff's skills for sustainability)
- More days like the skipping day to lead to clubs and enthuse the children in an activity
- Sports trip for whole school like the EIS
- Cycling initiatives for the younger children
- Swimming gala sports day?
- Sports ambassadors awards?
- Outside providers leading after school clubs
- Going for quality mark sports awards
- Links with cricket clubs

Lucy Harley will be taking over the role of PE co-ordinator and the Sports Premium spend from September.
