School Sports Premium Report

Funded by the Department for Education, the Department of Health and the Department for Culture, Media and Sports, they have given this money directly to schools to be spent on PE and sports provision. The money is ring fenced and was initially for two years which has now been extended. It is up to schools how they spend this money however it must be used with the following vision in mind.

Vision for the Primary PE and Sport Premium:

“ALL pupils leaving primary school are physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.”

The funding has been provided to ensure impact against the following objective:
To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

How much have we received?

Wales Primary School received:

- **£8,885** in the school year 2013-14
- **£8,910** in the school year 2014-15
- **£8,910** in the school year 2015-16.

The first payment of the school year 2016-17 of **£5,230** was received in November 2016; the second payment of **£3,680** is due in summer of 2017 (totalling **£8,910**).

How should the money be spent?

The money should be used to develop or add to the PE and sport activities that a school already offers, and make improvements now that will benefit pupils joining the school in future years. It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles;
2. the profile of PE and sport being raised across the school as a tool for whole school improvement;
3. increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. broader experience of a range of sports and activities offered to all pupils; and
5. increased participation in competitive sport.

Date	Event	Number of children
22.09.16	Wales Cluster Cross Country	18
04.10.16	Wales Cluster Football	19
20.10.16	Rotherham Partnership Cross Country (second round)	7
08.11.16	Wales Cluster Hockey	9
22.11.16	Wales Cluster Basketball	12
13.01.17	Rotherham South Football competition	8
14.01.17	G4S football competition at RUFC	7
02.02.17	Wales Cluster High 5's	10
09.02.17	Wales Cluster Indoor Athletics	22
14.02.17	Rotherham Partnership High 5's (second round)	8
07.03.17	G4S football competition quarter final at RUFC	6
22.03.17	Wales Cluster Y2 Matball	43
07.05.17	G4S football competition final @ RUFC	7
11.05.17	Wales Cluster Tennis	4
13.06.17	Wales Cluster Cricket	10
20.06.17	Rotherham Partnership Cricket (second round)	9
21.06.17	Wales Cluster Y1 10 Base Rounders	50
		Total: 249

57% (70/123) KS2 children have taken part in at least 1 competition

84% (27/32) Y6 children have taken part in at least 1 competition

50% (15/30) Y5 children have taken part in at least 1 competition

33% (10/30) Y4 children have taken part in at least 1 competition

58% (18/31) Y3 children have taken part in at least 1 competition

1 Y5 boy successfully earned a place in the cross country finals at Loughborough at the end of March.

Report update - July 2017 by Lucy Harley

Children's participation in intra school competitions September 2016 – June 2017

100% of KS2 children have participated in at least one intra school competition (football at Kiveton, football at WHS, Matball, Sports Day)

100% of KS1 children have participated in one intra school competition (multiskills, Matball, 10 Base Rounders, Sports Day)

100% of EYFS children have participated in one intra school competition (multiskills hosted at WHS, Sports Day)

100% of children have participated in Swimathon and have currently achieved Bronze award. They have set a target to achieve Silver and Gold later in the year

Children's participation in school clubs September 2016 – June 2017

Since September we have offered a wider range of sporting clubs for children to participate in. These have ranged from: KS2 Boys and Girls Football; Basketball; Netball; Swimming; Running; KS1 Football; RUFC football skills; RUFC multiskills; KS1 multiskills; KS1 Matball; KS2 Tag Rugby; KS2 Gymnastics, KS1 Dance, KS1 Rounders, KS2 Cricket

These clubs have been provided by staff and outside agencies.

Year Group	Number of children attending sporting clubs as of June 2017
EYFS	0
Y1	157
Y2	125
Y3	55
Y4	131
Y5	76
Y6	84

Report update - July 2017 by Lucy Harley

Sport Updates (bold shows updates since March 2017)

In addition to this we have had sporting opportunities increased by utilising Sheffield Hallam university student Josh Marsh, who worked in school on a 6 week work experience block placement. He assisted the delivery of high quality P.E and sport lessons whilst also providing further sporting opportunities at lunchtime with a dodgeball club.

Excel Martial Arts has also been into school to deliver a whole school assembly and taster sessions for each class. From this several of our children have attended the out of school club.

Sustrans' have also been into school to provide enrichment opportunities in school by holding a bike safety assembly and science related sessions in Y1 and Y2. Y2 children have completed scooter training through this project as well. **There was a 'Bling your bike' competition that saw approximately 80 children from across school take part in with prizes for the most creative bikes and scooters! A 'Bike It Breakfast' was held by Sustrans' offering free breakfast to all those who has travelled to school by bike that day, around 100 children and parents attended. 28 Y6 children completed Bikeability successfully.**

The Walk to School initiative has seen a monthly average of 207 children actively travelling to school (walk, scooter, bike or 'park and stride'). **63 children (Y5 and 6) also completed a mapping exercise to inform and encourage parents to park 5 or 10min walk away from school.**

RUFC ran 'Wake Up Shake Up' every morning for Y6 children during SATs week to encourage a healthy start to the day. 63 children (Y5 and 6) have been taking part in Healthy Lifestyle sessions run by RUFC coaches – this is a 6 week programme covering many aspects of healthy and active lives such as the benefits of a balanced diet and what happens to the body during exercise.

Sam Miller (tennis coach and uncle of a child at school) has been working in school providing each class with a 30min coaching session as well as giving away Davis Cup rackets to 9 children across school to encourage them to take up the sport outside school.

Staff have attended PE CPD courses – 1 member of staff went to 'Cardio Tennis' held at WHS, another member of staff attended all day training on 'Real PE' which is a scheme of work we hope to purchase next year.

Healthy Lifestyle Week (held in June) provided opportunities for all children and staff to take part in various activities as well as learning about what a healthy lifestyle looks like. These included: whole school warm-ups on the yard everyday run by staff, 'travel on wheels' event, Sports Assemblies showcasing children's sports outside school, KS1 and KS2 Sports Days, hula hooping taster day, sponsored circuits with GB athlete attending and Sam Miller's assembly about his tennis career.

Report update - July 2017 by Lucy Harley

Sustainability

The guidelines are very clear that the funding must be used to make additional and sustainable improvements to the quality of PE and sport they offer. We feel that our spending is sustainable as it is focused on giving the children new opportunities, access to high quality resources, staff picking up additional CPD and therefore the tools to help deliver high quality PE education. The new PE curriculum demands that:

- children are more physically active for sustained periods;
- they are encouraged to lead a healthy and active life; and
- there are more competitive sports and activities carried out (whole school events).

Future plans for next year (2017-18)

- Increased CPD opportunities:
 - develop staff's skills for sustainability in required areas
 - make use of local authority specialists offering free sessions
 - Liana Underwood (WHS SScO to work in school one afternoon a week delivering high quality lessons across the school, up-skilling teachers and TAs)
- More taster sessions for children (such as Excel day and Fiitball this year)
- Update equipment as needed
- Make further use of local sports facilities such as the 5-a-side pitches in Kiveton Park (used this year for free as introductory offer) and tennis courts
- Look to purchase Real PE scheme of work and training for all staff
- After PE survey completed at end of year, develop after school clubs in light of children's responses
- Aim to increase (friendly) fixtures against local schools
