IN SCHOOL THIS WEEK...

It's been a busy, busy few weeks so far for all the children and staff in preparation for the Christmas festivities.

The staff here at Wales primary have been getting into the festive spirit with a Christmas Wreath making workshop.

The children have been working so hard to learn their words and songs ready for the performances.

We look forward to seeing families enjoy the shows next week.

The Road Safety Officers had a tricky job this week choosing the winners of the helmet design competition. Thank you and well done to all pupils that took part. There were so many excellent designs.

A special applause goes to... Ava in Year6, Beth in Year 3, Starley in Year 1 and Kizzy in FS2 for the winning designs.

Message from the Governors

Hello I'm Karen Brooks

I have been one of the parent governors at Wales for around two years now, and in that time I feel I have got to know the school very well. I am the link governor for assessment, pupil premium and am part of the developing excellence committee that ensures all children are getting access to the high-quality, rich and varied curriculum that they deserve. As an experienced teacher myself, and with my own children at Wales, this is something I feel strongly about. My children are currently in Year 4 and FS2 and you can find me on the playground most mornings. Feel free to say hello!
