## IN SCHOOL THIS WEEK...

It has been British Science Week this week. Alongside the weekly science lesson, children have experienced a variety of science based learning during special assemblies, workshops and online stories. Today, Wales primary held their own Science Fair where individual pupils showed their own scientific expertise in the form of experiments and demonstrations. We have had some great Wales Code learning behaviours demonstrated through fantastic listening and thinking skills and asking questions.

### POLITE REMINDER

Ensure your child(ren) have a **water** bottle everyday.

Ensure your child's uniform is name labelled, including their coats.

FS2, Y1, Y2 and Y3 children bring their reading log book to school everyday.

Any lost property will be stored in the entrance to the school hall. It can be collected at the end of the school day with a parent/carer.

P.E kits are to be worn on the day of your child's P.E lesson. No football kits or gymnastics outfits are allowed.

Check your child's class webpage for information specific to their class.

If your child is entering school by themselves please be aware that the school gates are locked until 8:30am.

FS2 visited Kiveton library with the FS2 team accompanied by parents/carers. They have all enjoyed receiving a library card and becoming a library member to continue their love of books.

### Children's appointments

If your child has an appointment to attend out of school but in school hours please email the school office **not** their class teacher. The admin team will then inform the teacher at an appropriate time.

Thank you

## FRIDAY 15th March 2024 contd

We had a fantastic World Book Day last week with lots of imaginative costume choices and great reading for pleasure activities taking place across the school including a staff Masked Reader challenge. Can you guess who's behind the book?

A huge thank you to the PTFA team who lovingly grew and wrapped the flowers for Mother's day so that every child had a gift to give.
