Harley's championship score and race photo. The school and his family are very proud of his achievements as the result of the hard work he's put in this year getting himself to this level and he should be too! It's a tough game out there and he's proved he is capable of achieving anything he puts his mind to. What a fantastic role model to his peers here at Wales Primary. Well done Harley and keep up the hard work in and out of school.

Friday 20th LAST DAY

Thank you to all Key Stage 2 children for creating a wonderful Remembrance service at St Johns church last Monday. It was lovely to hear them recall the lives of local people who made a sacrifice for the war effort of the second world war. We saw and heard fantastic reading, writing and art work to remember those who have fallen.

“The school is our children; our children make the school”

Gentle Reminders

No balls games on the playground before or after school please.

Do not leave your child unattended on the playground before 8:30 am.

Please do not let your child climb on the railings and walls within the school grounds.

Dear Parents and Carers,

There’s nothing scary about this... the Halloween disco and raffle raised an amazing amount of money!

The money raised will go towards paying for the coaches for the whole school trip to the Pantomime in December 🎃

Thank you for all the support, we had an amazing turnout at both discos. We loved seeing all the costumes.

Thank you also to the volunteers who helped on the day and to Mega Party Experience for being a great DJ 🎧

The apples and raffle prizes were donated by some of our amazing parents.

WALES PRIMARY

Parent Carer MEET-UP

As part of the Partnership for Inclusion Neurodiversity in Schools (PINS) project, which aims to help schools build upon inclusion for neurodiverse children within schools.

We are hosting three opportunities for parents and carers to come together and share their experiences of what it feels like to be a parent or carer of a neurodivergent child, to look together at what is working well within the school, and to consider what needs to be better.

Would you like to learn more about neurodiversity (this may include Autism, ADHD, Dyslexia, OCD)? If so, please come along to find out more!

Dates for the meet-ups

- Thursday 27/11/24
1:30 – 3:00 pm
- Monday 27/01/2025,
08:45–10:00 am
- Tuesday 04/03/25,

thank you.

Please spread the word to family and friends.

Thank you for your continued support

PTFA Fundraising events diary to follow shortly.

Please look out for the events posted on the school display board located on the playground.

Our programme supports young people to turn climate anxiety into climate action! We create inspired Energy Heroes who are inspired to create the change.

ENERGY
Heroes

The Energy Heroes have worked with Year 5 this week to find out what changes we can make at Wales primary to save energy.

The Eco-committee members of that class have carried out an audit alongside the programme leaders.

Well Done to those children achieving their first reading award last half term.

Many children across school received their Reading Cadet Certificate for reading at home at least three times a week for five weeks.

Reading is very important for each and every child as a means of accessing the world around them from every point of view.

Learning to read is an essential skill but developing the love of reading is equally important.

Encouraging your child to read a variety of texts and genres will support them in language development, sentence structures and subject knowledge.

We hope to celebrate another half term of reading.

Following the fantastic success of the Travelling Book fair that has taken place previously in school, we have organised a book fair between **Monday 18th and Wednesday 20th November**.

This will provide parents and carers with the opportunity to purchase books suitable for children of all ages. The fair will be held in the school hall from **8:30am to 8:45am Monday to Wednesday and 3:15pm to 3:35pm on Tuesday and Wednesday**, giving children, parents and carers a chance to browse through the books and make purchases.

Pupils will also have the opportunity to look at the books with their class teacher on Thursday 14th and Friday 15th November and write the titles and authors of any book that catches their eye onto a 'wish list'. However, they will not be able to make a purchase or save any.
