

## Wales Primary School Equality and Diversity Policy

### **Our equality objectives are:**

- To promote spiritual, moral, social and cultural development through curricular, extra-curricular and enrichment opportunities. We aim to meet this objective with particular reference to issues of equality and diversity
- To reduce prejudice and increase understanding of equality through direct teaching across the curriculum
- To move beyond deterministic notions of fixed ability and to model teaching and learning behaviours that avoid labelling and challenge all children
- To narrow the gap between boys' and girls' attainment in writing in the primary phase (Y1 – Y6)
- To promote cultural development and understanding through a rich range of experience, both in and beyond the school

### The legal and local framework for this policy is:

- Race Relations Act 1976 (as amended in 2000)
- Disability Discrimination Act 1995 (as amended in 2005)
- Children Act 2004
- Equality Act 2006
- Education and Inspections Act 2006
- Duty to Promote Community Cohesion, Education and Inspections Act 2006

Wales Primary School is a welcoming school where everyone is valued highly and where tolerance, honesty, co-operation and mutual respect for others are fostered. We are committed to the development of the whole person within a supportive, secure and creative environment.

A broad, balanced and appropriate curriculum provides equal opportunity for all pupils to maximise their potential regardless of age, sex, race, colour, religion or disability. We endeavour to promote positive relationships with parents, governors and members of the wider community.

At Wales Primary School we aim to promote equality and tackle any form of discrimination and actively promote harmonious relations in all areas of school life. We seek to remove any barriers to access, participation, progression, attainment and achievement. We take seriously our contribution towards community cohesion.

We aim to:

- provide a secure environment in which all our children can flourish and achieve all five outcomes of **'Every Child Matters'** (be healthy, stay safe, enjoy and achieve, make a positive contribution, and enjoy economic well-being);
- provide a learning environment where all individuals see themselves reflected and feel a sense of belonging;
- prepare children for life in a diverse society in which children are able to see their place in the local, regional, national and international community;
- include and value the contribution of all families to our understanding of equality and diversity;
- provide positive non-stereotyping information about different groups of people regardless of gender, ethnicity, disability, sexual orientation, religion and age;
- plan systematically to improve our understanding and promotion of diversity;
- actively challenge discrimination and disadvantage;
- make inclusion a thread which runs through all our activities

To achieve these aims we will:

- involve stakeholders in the development, review, evaluation, and impact assessment of all relevant improvement plans, policies and procedures;
- publish and share our policies and impact assessments with the whole community;
- collect and analyse data to ensure all groups are progressing well and no group is subject to disadvantage;
- use all available information to set suitable learning challenges for all, respond to pupils' diverse needs and overcome any potential barriers to learning;
- ensure that the wider school curriculum makes explicit and implicit provision to promote and celebrate diversity;
- have high expectations of behaviour which demonstrates respect to others.

Wales School is committed to:

- being proactive in promoting good relationships and equality of opportunity across all aspects of school life and the wider community;
- encouraging, supporting and enabling all pupils and staff to reach their potential and make a positive contribution;

In addition to monitoring to rule out any potential disadvantage, quality assurance procedures ensure the school meets its duty to positively promote diversity. (Eg. lesson observations record evidence of differentiation and texts are reviewed to ensure appropriateness and inclusivity.)
