Using these rules, can you add in the correct punctuation to these sentences? (it might not just be speech marks!)

1. "My name is Jane," said the girl.
2. David said "When it is 3 o'clock I can go to the park."
3. "Can you tell me what time it is," asked Peter.
4. "I like it when the weather is nice," said the old woman.
5. "I've lost my ball in the garden," shouted the boy.
6. "My friends named is Susan," explained the girl.

Now have a go at the same but using this paragraph of text:

Bodget and Brown looked hard at the chimney. It was leaning a very long way over. "It will have to be pulled down," said Bodget, as he and the owner looked up at the chimney. "It can not be left in that state," said the worried owner. "You had better get started." I have told Mrs. Worth about it. "We will go and get some ladders and scaffolding from the lorry," said Bodget and off he went.
