

## How to Make a Monster Pizza

Would you like to make a pizza?  
Follow these instructions to make a disgusting horrible pizza

### Ingredients

- 20g of thick slime
- 3 cups of slimy mud
- 200g of magic grass
- 1 cup of dirty snot
- 800g of thin sludge
- 10 wiggly worms
- 20 jumping frogs
- 100g of rotten fish
- 20 dead spiders

### Equipment

- Cups
- Whisk
- Weighing scales
- Oven
- Bowl
- Spoon
- Baking tray

### You will need to

1. First put on the oven and get your ingredients and equipment. Measure your ingredients out.
2. Next pour the slime, mud and grass into a bowl and slowly mix with the spoon until it looks inedible.
3. After that gently roll the dough and shape it into a square. Put it on the baking tray.
4. Then pour the snot, sludge and worms into a bowl and quickly whisk together. It should look disgusting.
5. Next generously spread the disgusting topping on the square base.
6. Then carefully sprinkle the dreadful and gruesome frogs fish and spiders on to it.
7. Finally bake the terrible pizza for 22 minutes and then eat.

Serve this terrible pizza with snails and slugs
