- Plate
- Chopping board

Steps to make a monster pizza

1. First to make the dough find a medium bowl and add in 4 cups of purple and blue runny slime.
2. Then chop up the 2 short pencils and add to the bowl.
3. Now pour 1 cup of clean ripped paper into the bowl and mix them slowly until they make dough.

4. Then using the rolling pin roll the dough into a candy cane shape, but use your paws to make the candy cane shape and then roll it flat and place on the plate.
5. To make the sauce add to a clean bowl 1 cup of smelly poo, 2 cups of runny mud and 6 cups of red and yellow runny slime and quickly mix them together using the spoon.
6. Eventually the mix will become just like sauce, then pour it onto the dough.
7. Finally throw onto the pizza 5 cups of crunchy toenails, 2 tablespoons of mouldy hair and chop up and add the 6 chopped up smelly worms.
8. Remember to put it into the fridge for 1 minuet do not put in the oven.

WARNING! Do not put more then one pizza slice in your mouth at a once other wise you will have monsteridiss.
